

Please submit this form with the required fee for participation in Imagine West Gilbert Athletics for the 2015-2016 school year. The money is used to cover:

- League Dues
- Referee Costs
- Uniform Rental
- Equipment
- Transportation

Please notice that the money does not go to coaches. At this time, all coaches are serving as volunteers.

Costs associated with participation in a competitive league such as the CAA are immense. Please consider taking advantage of the Arizona State Tax Credit program. *Families can earmark up to \$400 of their state taxes to support after school programs such as sports. We would also gratefully accept any donation.*

Checks can be made payable to *Imagine West Gilbert*.

Please place this form and payment in an envelope (or staple payment to this form) and turn in to Ms. Daris.
